

IQAC meeting with the Heads of various departments  
College Staff Room - 02/04/2019

- ① All Regular faculties data to be provided to <sup>the</sup> ~~un~~Secretary on prescribed format.
- ② Proper fencing to be done to prevent trespassing ~~and~~ also into college areas. Public thoroughfare and roads to be left from fencing for convenience of general public.

IQAC member Dr. Robin explained about Examination Result analysis. All the departments to analyse the mid term results and students are to be categorised into Good, Average, Below Average and poor. After analysis, students securing in between 33 - 59% may be given remedial classes.

The complete analysis may be displayed in ~~information~~ notice board for information to students.

IQAC cell will announce the time for undertaking analysis.
